

Masculo Dining Chair - Fully Upholstered, Wood Base

Designed by Gam Fratesi - 2008

ITEM NUMBER 60257

DESCRIPTION

Designed for the fine dining restaurant Copenhagen at Maison du Danemark in Paris, the four-legged Masculo Dining in wood marry the idea of Danish elegance and simplicity with Italian refinement and playfulness. The backrest of Masculo is almost overly large and appears to float in the air which is challenging to the senses. This is supported by the slender wood legs that make the whole dining chair almost sculptural and exciting to the eye. The upholstered chair ensures a high level of comfort, while its clean wood legs and sophisticated form lend the chair a graceful presence. The wood base gives the Masculo Dining Chair a more domestic expression that is perfectly suited for the private home.
